**GARRETT AND MOORE JOIN SBEP'S CITIZEN ADVISORY COMMITTEE**

**SARASOTA, FL** – Kendra Garrett and Bryan Moore have joined the Citizens Advisory Committee (CAC) with the Sarasota Bay Estuary Program (SBEP). The CAC provides the SBEP with citizen input and helps the organization develop programs and projects in support of its mission to enhance, restore and protect Sarasota Bay.

Kendra Garrett currently serves as a Marine Scientist for Erickson Consulting Engineers in Sarasota. She received her undergraduate degree in Marine Biology from Florida Atlantic University and her graduate degree in Biology from Purdue University. Kendra worked with endangered sea turtles in St. Croix for six years, and she worked previously with Mote Marine's Sea Turtle Conservation and Research Program.

Bryan Moore is the Florida Coordinator for the Professional Disc Golf Association (PDGA) and he's a professional disc golfer sponsored by Discraft. Bryan serves as the Outreach Coordinator for the Sarasota Sky Pilots Disc Golf Club, where he's organized youth clinics, tournaments, and charity events benefiting All Faiths Food Bank and the Racing Dog Rescue Project. He served previously as the Site Manager of the E-Fest Green Living Music & Arts Festival.

**The Sarasota Bay Estuary Program** is dedicated to restoring the area's greatest natural asset—Sarasota Bay. Its unique program strives to improve water quality, increase habitat and enhance the natural resources of the area for use and enjoyment by the public. Sarasota Bay is one of 28 estuaries in the United States that have been named by the U.S. Congress as an "estuary of national significance." Partners include Sarasota County, Manatee County, City of Sarasota, City of Bradenton, Town of Longboat Key, Florida Department of Environmental Protection, Southwest Florida Water Management District, and the U.S. Environmental Protection Agency
