

## Support Sarasota Bay by making a donation to SBEP Today!

Individual and corporate donations are critically important to the future health of Sarasota Bay. Your tax-deductible contribution to the Sarasota Bay Estuary Program will help us continue our successful restoration of Sarasota Bay, one of 28 specially designated Estuaries of National Significance in the United States.

Become a partner with SBEP by helping to fund our award-winning community outreach and watershed-based management programs, including:

- Bay Guardians Volunteer Workdays
- Production of a wide variety of educational materials provided free to the public, including the Gulf Coast Heritage Trail map, Bay Repair Kit and Living on the Water's Edge brochures
- PIER Teacher Workshops, fieldtrips and free Coastal Habitats k-8 curriculum that bring Sarasota Bay into the classroom
- Special symposiums on timely bay issues and new research
- Innovative pilot projects to test restoration techniques
- Bay Partners Grant program to help jump start environmental improvement projects in the community

At this time SBEP can accept donations only by check or cash: Please fill out the following form and mail today with your contribution:
