SRQ DAILY FRIDAY WEEKEND EDITION FRIDAY MAY 14, 2021

It's almost that time of the year when Sarasota Bay will experience extreme high and low tides, or king tides. These tides give us a preview of how and where higher seas will affect local landscapes, which is important for anticipating and addressing "hot spots" for flooding. If you will be in Sarasota or Manatee counties on May 27th and 28th, snap some photos for a chance to win prizes and contribute to citizen science. Submit your best high and low tide photos for a chance to win a \$50 first place prize or \$25 second place prize. All submissions must be received by MAY 31st and include your name, date, time, and location. Vote for your favorite photos June 1st - 6th on Facebook.
